 Street Address

The Minnesota Department of Commerce requests the following information for statistical purposes only. Please carefully read and answer the following questions:

- Find your household size on the table to your right.
- Determine your annual household income, before taxes, including pension, social security, etc.
- Is your household income above or below the amount corresponding to your household income in the table?
 Above Below
- Is this equipment to be used in an owner-occupied residence or in a rental property?
 Own Rent

Number of People in Household	Annual Household Income
1	\$ 24,592
2	\$ 32,160
3	\$ 39,728
4	\$ 47,296
5	\$ 54,864
6	\$ 62,432
7	\$ 63,848
8	\$ 65,268

INSTALLATION SUBJECT TO VERIFICATION

It is the responsibility of the dealer and the purchaser to ensure that the installed equipment qualifies for the rebate by appearing on the current Energy Star listing. If it does not qualify, no rebate will be paid.

I have read and understand the terms and conditions. I certify that the information that I have provided is true and correct and the product(s) and/or equipment for which I am requesting a rebate meets the requirements listed on the rebate forms.

The Energy Star label is your assurance of energy efficiency performance that exceeds federal standards. Because when used properly, Energy Star products use less energy than standard equipment, they cost less to operate and create less pollution.

Many manufacturers offer Energy Star products, but not all products with Energy Star labels will qualify for rebates. For qualifying product listings, go to www.barnesvillemn.com, click on Energy Star. **OVER**
