## RUMMAGE SALE - FARMER'S MARKET

Whether you're looking for treasures, trying to unload that junk that has accumulated in the garage or searching for fresh veggies, the Main Street Program has got a deal for you!

The Fall Areawide Rummage Sale and Farmer's Market to be held on **Saturday, September 24**.

To participate in the rummage sales, call the Record-Review at 354-2259 by September 14. For info on the Farmer's Market call Main Street at 354-2479.

## Is Your Home Comfortable?

If the answer is no, then it may be time for a new furnace or heat pump. There is a feature that can make your home more comfortable.

Purchase a furnace or heat pump with a variable-speed, electronically controlled motor (ECM). An ECM motor allows your heating and cooling system to adjust its output to respond to the varying conditions in your home, without over-conditioning or wasting energy.

To help cut your cost even more, Barnesville Municipal Power offers a **\$150 cash rebate** for the installation of an ECM equipped furnace or air handler on a heat pump.

To learn about all the rebates from **Bright Energy Solutions** visit [www.barnesvillemn.com](http://www.barnesvillemn.com)

## DON'T FORGET TO ROUND-UP !

City of Barnesville utility customers are reminded and encouraged to round-up their utility payment checks to the nearest dollar. The extra pennies go to the Barnesville Area Community Fund to provide scholarships to Barnesville graduates, grants to local non-profits, assistance to families in need, loans to local businesses and assistance to various school programs.
