FALL AREAWIDE RUMMAGE SALE & FARMER'S MARKET

Whether you're looking for treasures, trying to unload that junk that has accumulated in the garage or searching for fresh veggies, the Main Street Program has got a deal for you!

Due to the overwhelming success of the Spring Areawide Rummage Sales, organizers are planning for a Fall Areawide Rummage Sale and Farmer's Market to be held on **Saturday, September 25**.

For more details on the sale contact the Main Street office at 354-2479.

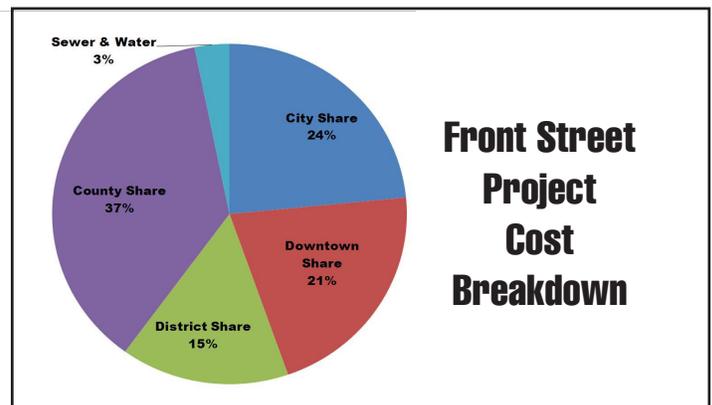

FRONT STREET PROJECT COSTS

The Front Street Reconstruction project is scheduled to begin next spring as soon as the weight restrictions are off the roads. There has been a lot of questions raised regarding the project cost and who will pay the assessments.

City leaders have worked hard to develop an assessment which is fair for both the short and long term. What has been somewhat forgotten is how fortunate we are to have Clay County paying such a large portion of the project costs.

The pie chart below shows how the project costs will be divided. Questions? Contact City Administrator Mike Rietz at 354-2292.

BECOME AN AMBASSADOR !

The Barnesville EDA has just kicked off a new Barnesville Ambassador program, and we hope you will consider becoming an ambassador!

Becoming an ambassador doesn't require an extensive amount of time, but rather a mindset that makes you part of a dynamic network of people helping Barnesville grow.

By sharing positive messages with your personal and online networks, you help build Barnesville's brand and image as a great place to live, work and play.

Go to www.barnesvillemn.com to learn more about the Ambassador program and how to apply. For more information call EDA Director Karen Lauer at 354-2145.
