## STOP UNWANTED TELEMARKETING

2003 legislation allowed for the establishment and enforcement of a national Do-Not-Call Registry giving consumers a choice regarding telemarketing calls. **If your number is listed on the registry, all commercial telemarketers, except for businesses with whom you have an existing relationship or certain non-profit and political organizations, can not call you.**

Consumers may register their residential telephone number, including wireless numbers, on the national Do-Not-Call Registry at no cost, either by telephone or via the Internet. To register by telephone, call **1-(888)382-1222**. For TTY, call **1- (866) 290-4236**. You must call from the telephone number that you wish to register. You may also register, or obtain additional information, via the Internet at [www.donotcall.gov](http://www.donotcall.gov).

Inclusion of your telephone number on the national Do-Not-Call Registry will be effective 31 days after registration.

Prior to Feb. 2008, your registration was only valid for 5 years. **If you registered several years ago, we recommend registering again.** If you register your number now, your number will remain permanently on the list. You also can remove your name from the list at any time.
