ORDINANCE REGULATING USE OF SIDEWALKS BY BUSINESSES IN C-1

City Administrator Rietz described a proposed ordinance to allow merchandise display, sandwich board signs and seating areas in front of businesses in the C-1 zone. There was much discussion regarding the best ways to regulate merchandise and vending machines. There were some suggestions that the ordinance should regulate the amount of vending machines per block, that the machines should be required to be in working order. Rietz will revise the proposed ordinance based on the members' comments and bring it to the April meeting for further consideration. A public hearing will be held at the April meeting on this ordinance.
