LOCAL PET VACCINATION CLINICS

The City of Barnesville requires that all cats and dogs be licensed. In order to purchase a license you must provide proof of a rabies vaccination. To make this as convenient and easy as possible, the City is partnering with area businesses offering Saturday vaccination clinics. Pet licenses will also be available for purchase at the clinics.

SATURDAY, APRIL 18 • 9 am - Noon
Barnesville Animal Clinic • 1504 4th Ave. NE

SATURDAY, APRIL 25 • 10 am - Noon
Barnesville Fire Hall • 119 3rd Avenue SE

COPYRIGHT ENFRINGEMENT CONCERN

It is very important to secure and protect your wireless password. It is against the law to download music, movies or videos that you don't pay for. Studios are able to track illegal activity through your IP address. In Barnesville, we have seen several cases in recent months where people have used unsecured wireless internet connections for these activities. Everyone should remember if you're not buying through a video service you could be buying a pirated version.

IMPORTANT WATER UPDATE

Customers should keep running their faucets as recent warm weather has driven frost deeper.

CABLE TV RATES TO CHANGE

The cost of buying cable programming continues to increase and we are forced to pass on those increases to our customers. Over the last few months we have however added 8 new channels. Below is a list of the rate changes beginning with the bill you receive in April:

Economy Basic Cable	\$21.95
Preferred Basic Cable	\$67.95
HBO	\$16.00
HBO/Cinemax	\$24.50

GARBAGE TAG COST INCREASES

On March 1, 2015, the cost for extra garbage tags available both at City Hall and Barnesville Grocery increased from \$1.50 to \$2.00.

APPLIANCE TURN-IN PROGRAM

In June, the City will once again be sponsoring an Appliance Turn-in Program. Watch for your April newsletter for all the details!
