

## ELECTRIC RATES

Barnesville Municipal Power has adopted a seasonal rate schedule which reflects a higher rate only during those months when our cost is higher. The rate is based on the month the power is consumed.

### SINGLE PHASE RESIDENTIAL

|                     |             |
|---------------------|-------------|
| Monthly Base Charge | \$14.00     |
| Energy Charge       |             |
| September- May      | \$.0960 kwh |
| June-August         | \$.1130 kwh |

Available to single residences and also to individual apartment units.

### SINGLE PHASE COMMERCIAL

|                     |             |
|---------------------|-------------|
| Monthly Base Charge | \$17.00     |
| Energy Charge       |             |
| September-May       | \$.0980 kwh |
| June-August         | \$.1120 kwh |

Available to commercial customers with single phase service.

### THREE PHASE COMMERCIAL

|                     |             |
|---------------------|-------------|
| Monthly Base Charge | \$23.50     |
| Energy Charge       |             |
| September-May       | \$.0980 kwh |
| June-August         | \$.1120 kwh |

This rate is available to all customers with three phase service who have a calculated demand of 20 KW or less.

## LARGE POWER THREE PHASE COMMERCIAL SERVICE

|                               |            |
|-------------------------------|------------|
| Monthly Base Charge           | \$38.00    |
| Demand Charge based on all kw |            |
| September-May                 | \$10.30 kw |
| June-August                   | \$13.90 kw |
| Energy Charge                 |            |
| All kwh                       | \$.053 kwh |

This rate is available to all customers for three phase service with a calculated demand over 20 KW. Billing demand will be the maximum demand as measured during any 15 minute interval during the billing period.

## ELECTRIC RATE INCENTIVES

*Dual fuel and off peak rates are available to both residential and commercial customers.*

### DUAL FUEL RATE

|                        |             |
|------------------------|-------------|
| Dual Fuel Service Rate |             |
| September-May          | \$.0470 kwh |
| June-August            | \$.1130 kwh |

This rate is available to all customers with a dual fuel heating system (including heat pumps) that is controlled by the City's load management system.

### OFF PEAK RATE

|                        |             |
|------------------------|-------------|
| Off Peak Service Rate: |             |
| September-May          | \$.0470 kwh |
| June-August            | \$.1130 kwh |

This rate is available for electric thermal storage (ETS) space heaters, under concrete slab electric heating systems and electric heated liquid filled under concrete slab heating systems. Off Peak Services must be metered separately and controlled by the City's load management system. Central air conditioners and water heaters do not qualify for the off peak rate.

## SECURITY LIGHTS

Charge per light \$12.25 month  
Available to all customers for un-metered lights, 200 watts or less, owned, installed and maintained by the City.

## SECURITY FLOOD LIGHTS

Charge per light \$24.50 month  
Available to all commercial customers for un-metered lights, 200 watts or less, owned, installed and maintained by the City

## RIVER WINDS WIND ENERGY

By enrolling in the RiverWinds project, customers are supporting efforts to produce "green" energy. These charges are in addition to standard electric charges.

|                            |               |
|----------------------------|---------------|
| One 100 kwh block of power | \$ 2.00 month |
| Two 100 kwh blocks         | \$ 4.00 month |
| Three 100 kwh blocks       | \$ 6.00 month |

## WATER HEATER INCENTIVE

Receive a \$2.00 per gallon rebate for the installation of a new electric water heater with a storage capacity of at least 50 gallons, or \$3.00 per gallon for new water heaters with a minimum storage capacity of 80 gallons. Water heaters must be controlled by the city's load management. Demand water heaters without storage do not qualify for this rebate.

## ELECTRIC REBATES

In the past, Barnesville Municipal Electric has offered Energy Star rebates to residents who purchased energy efficient lightbulbs and/or appliances. This program has now become Bright Energy Solutions. For rebate forms and info go to [www.brightenergysolutions.org](http://www.brightenergysolutions.org).

| Platinum              | \$25 month |
| Business 1,2, 3 and 4 | \$30 month |

## RECYCLING CHARGES

The Barnesville Recycling Center accepts free of charge from residents a wide variety of items for recycling including newspapers, phone directories, glass bottles, plastic bottles, magazines and cardboard boxes.

The Recycling Center is located at 205 Front Street North, across from Wells Fargo Bank. It is open on Tuesdays and Thursdays from 12 Noon to 8 pm and on Saturdays from 8 am to 12 Noon.

For a small fee residents are able to drop off a variety of other household items. Call City for specific info on items and charges. Water softener units can be put in garbage.

## WATER, SEWER & GARBAGE
