

The purpose of the Barnesville Business Incentive Program is to encourage businesses to locate within the Barnesville trade area and to encourage the existing businesses to maximize a new business potential by offering them a variety of incentives.

Requirements for eligibility

1. The application must be received within 6 months of opening the business.. Supporting documents must be received 30 days of the application for a confidential review. A recommendation will then be made to the Main Street Program Board at their next regular monthly meeting, which is held the 3rd Wednesday of the month. All applicants will be notified in writing of the Board's decision.
2. The business must be a new, expanding to, or relocating to Barnesville. The expansion of an existing business must include either new job creation, additional square footage, or new services. Businesses with the same owner can only qualify once.
3. A business plan including a reasonable and feasible narrative with 3 year cash flow projections is required.
4. Home-based businesses will be considered if applicant has an approved CUP, pays commercial real estate taxes and commercial utilities
5. If leasing/renting, the business must show an intention to be permanent by signing a 1 year lease.

A few other notes...

The use of the Business Incentives is limited to the first year of operation from the date of acceptance.

Some of the organizations and businesses that offer incentives may require further commitment from program participants that extend beyond the limits of the initial incentive

The Main Street Program reserves the right to review each application and to reject any applications for good cause. If an application is denied you will be notified of the reason in writing and may reapply within 30 days.
