Long Distance Carrier Selection

Before we can provide you with telephone service you must select long distance carriers for calls you would make in both Intralata and Interlata service areas. The intralata area includes portions of the 218 and 701 area codes and the interlata includes the rest of the world. You must select one carrier for intralata service and one carrier for interlata service. We are not allowed to make recommendations on your selections but have provided you with toll free numbers you may
