City of Barnesville Operations during COVID-19 Pandemic - March 19, 2020

Staff members are available at these facilities and can be reached by phone during their normal business hours.

CITY HALL 354-2292

City Hall is closed to the public. The outside door will be open and residents will have access to the enclosed entry area where they will be able to drop off payments in a box provided for that purpose. A Bill Payment dropoff box located in front of the Library is also available. Call City Hall to discuss other online bill pay options.
City staff are available by phone, email, through barnesvillemn.com and city's Facebook page.

POLICE DEPARTMENT 354-2281

The Police Department is making all attempts to keep our current level of services available, but is implementing some internal procedures to keep staff healthy and safe.

FIRE DEPARTMENT If an emergency call 9-1-1

The Fire Department will operate as normal and respond with additional precautions

PUBLIC WORKS 354-7645

The Public Works building is closed to the public, but the compost and brush pile sites are still open to the public.

RECYCLING CENTER

Effective Thursday, March 19 the Recycling Center will be closed until Thursday, April 2.

LIQUOR STORE 354-2258

Firehall Liquors remains open. We will be limiting the number of customers in the store at one time to 5 to maintain the CDC recommended 6 foot social distancing. When this limit has reached you will be asked to wait outside until a customer leaves. We will ask that you use a debit/credit card to limit the handling of money.

BARNESVILLE LIBRARY

The library is closed. It is unknown when the library will reopen.
