SEASONAL SUMP PUMP WAIVER

Barnesville residents are reminded that sump pump drain discharge into the sanitary sewer is prohibited from April 1 to October 31.

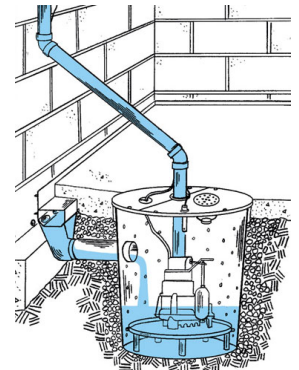

ONLY IF property owners apply for a waiver through City Hall are they allowed to discharge sump pumps into the sanitary sewer from November 1 to March 31.

Under the waiver requirements, the property owner agrees to pay an annual waiver fee of \$ 50 as established by Resolution of the City Council, which will be billed at \$4.17 per month. This allows the discharge to go into the sanitary sewer during the winter months.

Per City Ordinance, on April 1, the sump pump must once again be discharged outside.

Residents are reminded that per Barnesville City Code, non-compliance with the Sump Pump Ordinance is subject to a \$100 month penalty.

Care should be taken so the discharge doesn't cause icing problems on sidewalks or streets. For more info or to apply for a waiver, call City Hall at 354.2292.
