Tennessee Warning for Utility Service and Credit Application

As a potential customer of the City of Barnesville, you are being asked to provide information about yourself for billing and credit check purposes. The information to be exchanged will be treated as private as governed by Minnesota Statute Section 13.01-13.90 and The Privacy Act of 1974.

This information will also be used for collection purposes in case of nonpayment of utility bills. The specific use for each category of data is described below:

- 1) Name and address are required so that the bill is sent correctly;
- 2) Telephone number to contact customer of any problems or information on service
- 3) To send bills to collections a social security number is needed.
- 4) Place of employment is requested to obtain credit information and for emergency notification.
- 5) Financial information is requested to obtain credit information.

This data will be used solely for the above mentioned purposes. The data will be forwarded to the appropriate City staff whose work assignments reasonably require access to the information and collections.

You are not legally required to provide the requested information. However, if you do not provide the required information we may refuse to provide electric service.

By signing this form you hereby acknowledge that you have requested the City of Barnesville to provide you with utility service. You further agree to be responsible for all charges incurred with the City, including interest and/or penalties, and that you understand that the City will not necessarily notify you of any delinquencies. You agree to pay said account regardless of how dated the account is and absolve the City from continuing to provide service after a delinquency and/or after the normal cut-off date.

By signing this application the applicant is representing to the city that he/she has the legal right to occupy the premises. This means:

1. In the case of a home, duplex, townhouse, condominium or apartment, the applicant shall be the owner or purchaser on a contract for deed, or if the applicant is renting the premises the applicant shall have a lease with the owner of the premises.
2. In the case of a manufactured home, the applicant shall be the owner thereof or if renting the manufactured home the applicant shall have a lease with the owner of the manufactured home. In the event the applicant is not the owner of the real property upon which the manufactured home is situated, then the applicant shall have a lease with the owner of the real property.
