## Fall Rummage Sales - September 17

Sponsored by the Main Street Program, the Fall Areawide Rummage Sales and Farmer's Market will be held on **Saturday, September 17**.

Now is the time to start planning and cleaning out the basement! To participate in the sales, call the Record-Review, 354-2259 by Sept. 6.

## Thinking of Changing Your Heating System Before Winter?

Winter is just around the corner - if you heat with electric, propane or fuel oil and you're thinking about making a switch to natural gas, before you do check out the savings of Dual Fuel!

Converting your heating system to a Dual Fuel system is easier and more affordable than you might think. In many cases, it is as simple as adding an electric plenum heater to your existing propane or fuel oil furnace.

The City also offers various incentives to add dual fuel to your home.

Weather predictions call for below average temperatures this winter. Call TEC Manager Guy Swenson today at 354-2292 and he will help you calculate how much you can save by making this easy change to Dual Fuel!

## Fall Specials at the Golf Course!

Starting Tuesday, September 6, enjoy some great fall days and save some money!

9 Holes of Golf & Cart \$15 Mon. - Thurs.

18 Holes of Golf & Cart \$25 Mon. - Thurs.

In addition, with a Fall Pass; Adults can play unlimited golf for \$75 until the course closes for the season in October.

Mayor Rick adjourned the meeting at 7:50 p.m.

## Do you own an electric vehicle?

Already there are a number of Barnesville residents who own electric vehicles, that number is certain to increase in the months and years ahead. We're working with our power provider, *Missouri River Energy Services*, to understand the charging needs of our residents. Can you help?

Have you gone electric?

**Answer eight questions and earn \$50!**

## Important Information about Lead in your Drinking Water

Last September the City of Barnesville found high levels of lead in the drinking water of some homes. Lead can cause serious health problems.

For more information, call our water department supervisor Dave Wang at 701.261.5039. For more info on lead in the water go to [www.epa.gov/lead](http://www.epa.gov/lead).
