## An Evening at Blue Eagle Lake 28th Annual Community Picnic Thursday, July 21

Please join us for a fun evening at Blue Eagle Lake for Barnesville's 28th annual Community Picnic on **Thursday, July 21st**.

The Main Street Program invites you and your family to a delicious picnic dinner followed by fun activities in the park! The picnic dinner will be served from 6:00 - 7:30 pm.

We encourage everyone to come out and enjoy the evening with your neighbors and fellow residents. Many local non-profits will also be on hand to sell or give away treats of all kinds.

Final plans are still coming together. Watch for details coming in the next month on the Main Street Facebook page and the Barnesville Record Review!

You won't want to miss this fun evening at the park with your family and friends. We are lucky to live in a wonderful community full of friends, neighbors and businesses that support each other. **Please plan to join us!**

## Potential for Rolling Blackouts this Summer!

Missouri River Energy Services, the city's power provider, has advised Barnesville Municipal Power that projections show possible energy shortages during the summer of 2022. Barnesville is part of a larger region encompassing the central US.

Based on energy demand, rolling blackouts may be needed. Barnesville Municipal Power will be asked to reduce their energy use and residents and businesses may be asked to voluntarily curtail their electric load when needed.

For more detailed information on how residents will be notified should this occur, follow our Facebook page and the City's July newsletter.

## Summer Watering Ordinance

Barnesville residents are reminded that water restrictions are in effect **from June 1st to September 1st**. During these months, no lawns shall be watered or cars washed between 10 am and 7 pm. The ordinance is designed to conserve our valuable water resources and to help the City's water plant operate at its best.

Starting on June 1st, if your address ends in an odd number, you may water your lawn or wash cars on **odd-numbered days** (the 1st, 3rd, 5th days of the month, etc.) **from 7 pm to 10 am**. If the last digit of your address is an even number, you can water or wash cars on **even-numbered days** (2nd, 4th, 6th, etc.) **from 7 pm to 10 am**.

If you have a newly seeded or sodded lawn, it may be watered **daily** between 7 pm and 10 a.m. for up to six weeks after the sod is installed or the seeds have germinated. Gardens, flowers, trees, and shrubs may be watered with the use of a garden hose with an adjustable nozzle without restriction.

Violators may be subject to a \$25 fine for each day of violation. Copies of the full Water Ordinance are available at City Hall offices.
