What is this community newsletter?

You might be wondering, what is this email that I am seeing before me. The Barnesville Main Street Program will be sending out this newsletter with information that not only is beneficial to our businesses, but also to our local residents. The newsletter will be a great way to keep you connected and know what is going on in town! It will include information about events happening in the community that month, spotlights on local businesses and organizations, as well as job openings. We will post job openings for any Barnesville Business, but business spotlights and event fliers will only be added for our current Main Street members. Please feel free to forward it on to your family members, friends, and employees. To get on our email list, please contact us at mainstreet@barnesvillemn.com!

If you have something that you would like to include in the newsletter, please email it to mainstreet@barnesvillemn.com before the 25th of the month. If you are interested in becoming a Main Street Member you can also reach out to us at the same email or call 218.354.2479.

Barnesville Business Spotlight

Every month, we will highlight at least one of our local businesses or organizations in town. We will shine a light on the products and services they offer and hopefully bring more awareness to our local residents of what we have available right here in town.

MIDWEST BANK Banking your way.

Midwest Bank has been serving the community since 1998. Midwest Bank is a locally owned, community focused bank committed to building lasting relationships with both their customers and employees by consistently exceeding their expectations. Midwest Bank is a full service COMMUNITY bank offering everything from interest bearing checking, savings, competitive Certificate of Deposits, Health Savings Accounts and more. They offer online banking with mobile deposit and also Consumer to Ag lending.

The Barnesville branch of Midwest Bank gives back to the Barnesville community with gifts of their time, talents and funds. They are always looking for an opportunity to be a part of community events and volunteer in ways to assist the community and school district.

Midwest Bank gives back to the community of Barnesville by donating of our time, talent and funds on a daily basis. We have team members involved in the following: Barnesville Economic Development, Main Street Program, Barnesville Area Community Fund, Barnesville Area Food Pantry, Potato Days, and the Thursday Nite Lions. If that wasn't enough, the Barnesville Branch of Midwest Bank with the assistance of the City of Barnesville, developed the Community Garden which has grown over time. The plots have irrigation providing water within feet of each plot. We grow pumpkins on an annual basis so we can give them away to the kiddos in the fall at our Fall Festival.

WE'RE HIRING!

Giving Hearts Day

“ I come from a very large family, 7 brothers & sisters. It's getting more difficult to schedule family gatherings because our homes are no longer big enough to host everyone! Having a place big enough for the kids to run around and access to a large kitchen to prepare meals, would be perfect! We haven't had a family Christmas together in years so I'm excited for the opportunity to host it in the new space! ”

“ For decades the Annual Meeting of the Farmer's Co-op Oil was held in the American Legion building... bringing city folks and farmers together - sharing a meal, visiting, and laughing. I cant wait to see the space come alive again! ”
