What is the Main Street Program?

Some might think that Main Street is a place, but it is also a national organization designed to help strengthen communities. Main Street America is a community revitalization program active in many cities across the nation, including Barnesville!

Our local Main Street Program operates a lot like a chamber of commerce. We not only promote and assist our local businesses, but also organize many different community projects and events. Our program is responsible for the downtown banners, flowers on Front Street, holiday decorating, welcome bags to new residents, Barnesville Bucks, the Community Picnic, Show 'n Shine Car Shows, Community Tree Lighting and Breakfast with Santa-just to name a few! We also like to shine a light on everything our great community of Barnesville has to offer!

Our program would not be able to carry out our many projects and events without our annual members. We have multiple levels of membership, as well as our "Friends of Main Street" level for local residents and families. If you are interested in becoming a member, shoot us an email for more information at mainstreet@barnesvillemn.com.

Barnesville Business Spotlight

Every month, we will highlight at least one of our local businesses or organizations in town. We will shine a light on the products and services they offer and hopefully bring more awareness to our local residents of what we have available right here in town.

Dobmeier's history started when Don and Margaret Dobmeier purchased the Collins Funeral Home in 1958.

They operated the business from the main and lower levels while raising their next thirty years, they served the Barnesville area in a manner that was

second to none. Upon their retirement in 1988, their son, John Dobmeier, and his wife, Terry, purchased the funeral home and continued the tradition of excellence for the next 23 years, also raising their family in the landmark facility. In November 2012, Duane Morey returned to his hometown and became the manager of Dobmeier; interestingly, Duane's desire to enter the funeral profession stemmed from a high school tour of the funeral home. In 2019, many changes in funeral service signaled it was time to invest in a location that would better meet the needs and expectations of families, and the business moved to 202 Front Street North in Barnesville. At that time, the name was changed slightly to Dobmeier Funeral & Cremation Service, letting families know that cremation is offered in cooperation with a shared crematory facility in Fergus Falls.

The death of a loved one turns your world upside down. The team at Dobmeier Funeral Home understands, and is there for you. They believe it is their greatest honor to care for your loved one and help create a uniquely personalized service to celebrate their life and legacy. But funeral services goes beyond paying tribute to a life lived. It's also about supporting the family and friends a loss leaves behind. You don't have to walk the journey through grief alone. When your loved one is brought into Dobmeier's care, you are, too.

We will list any job openings from all Barnesville Businesses. To get your information included here, the Barnesville MN Jobs Facebook Page and the City of Barnesville website please call 218.354.2479 or email mainstreet@barnesvillemn.com

This new event, hosted by the Barnesville Area Community Fund, arranges volunteers to go to the homes of senior community members to help them with outdoor projects.

When:

The event takes place on Wednesday, May 3 from 8:30 am to 3 pm:

8:30 am: Kickoff

8:45-11:30 am: Morning project

11:30-Noon: Lunch

Noon-3 pm: Afternoon project

3 pm: Dismissal

Seniors are required to be at their residence during the project and are excited for you to help them!

What:

The goal is to help seniors that can't manage outdoor projects on their own. We will also rely on volunteers to assist with small community park projects. Volunteers can assist with completing a variety of outdoor tasks, such as:

Washing windows/removing storm windows
Raking leaves/trimming shrubs
Cleaning garden/flower beds
Small exterior painting
Small repair work
Cleaning gutters
Cleaning air conditioner units
Cleaning community parks

Hwy 9 - Barnesville Complete Streets Project Barnesville to Interstate 94

Project details

Highway 9, from Barnesville to Interstate 94, is expected to be in poor condition by 2022, increasing the resource needs from maintenance. The majority of sidewalk and pedestrian ramps in Barnesville are currently noncompliant and will be repaired or replaced as part of this project.

The project will include resurfacing and accessibility improvements to sidewalks and ramps, which will result in a more narrow roadway upon completion in order to meet roadway standards and pedestrian accessibility compliance.

Key project elements

- Reconstruction of Highway 9 from railroad crossing to Highway 34
- Eliminating two of the three railroad tracks crossing Highway 34 and relocating signals
- · City utility replacement between Main Avenue and Highway 34
- Construct trail on east side of Highway 9, from Main Avenue to Highway 34 (Funded via TAP)
- Resurfacing of Highway 9 between Highway 34 and I-94
- . Turn lanes at CR 55, on west of side Highway 9

Project impacts

 A detour is expected for a portion of the project while city utilities are being replaced. Lane closures are another potential traffic impact.

Project is scheduled to start late May or early June!

SIGN-UP TODAY!

to receive e-mail updates on project!
