Join us for the Main Street Annual Golf Tournament!

The annual Main Street Golf Tournament is a great evening for you and your employees or friends getting together for a run round of golf. This year the tournament is scheduled for Tuesday, June 13th at beautiful Willow Creek Golf Course. Gather a handful of buddies and come on out for a game of friendly competition. Whether a veteran golfer with dreams of the PGA or a rookie to the sport, you are guaranteed to enjoy yourself.

We will have some great door prizes and awards for the best team. Throw in a few contest prizes and you never know what's going to happen. This is a non-hold event and is played in a "best ball" format. Tee off is at 4:00 pm. Following the tournament door prizes, awards and a steak supper will be served. Cost is \$60.00 per person, which includes the meal. If you would like to sign up your team or donate a prize, please contact the Main Street Office at 218.354.2479. Good friends, good food and good FUN are guaranteed. Good golf scores are optional.

Barnesville Business Spotlight

Every month, we will highlight at least one of our local businesses or organizations in town. We will shine a light on the products and services they offer and hopefully bring more awareness to our local residents of what we have available right here in town.

On June 10, 1965, the Barnesville Nursing Home opened its doors to provide care for seniors. Later the number of licensed beds in the center were reduced from 76 to 35 to allow private rooms for

residents. On November 1, 2015, Clayco Care Center was purchased by Mark and Debra Rustad and renamed the facility Valley Care and Rehab. The nursing home became locally owned and operated for the first time in its history.

Valley Care and Rehab offers a unique living experience that only happens in a small community. With a CMS 5-star rating and the 2020 recipient of the AHCA/NCAL National Bronze Award - Commitment to Quality Award, it is no secret that the Valley Care and Rehab staff is dedicated to making sure Barnesville continues to offer a quality place for aging seniors to live and remain in their community. Each resident has his or her own private living space where they are encouraged to bring their own pictures and decorations to make it as personal as possible, giving their room a homelike atmosphere. The facility also includes common areas with daily activities, a sun/chapel room, front yard patio, bird aviary and beauty shop. Residents are also invited to bring in their own television and phone to use in the privacy of their room, with cable television connection provided by Valley Care and Rehab. Wi-Fi access is also available throughout the building for residents and guests to use with their personal computers or tablets.

Valley Care and Rehab strives to work towards a happy, positive work environment with a T.E.A.M. Approach - together everyone achieves more! They offer a supportive, low-stress environment that will keep you busy, but allow enough time to provide compassionate care.

CURRENT BARNESVILLE JOB OPENINGS

We will list any job openings for our Barnesville Businesses. To get your information included here, the Barnesville MN Jobs Facebook page and the City of Barnesville website please call 218.354.2479 or email mainstreet@barnesvillemn.com.

Hwy 9 - Barnesville Complete Streets Project

Barnesville to Interstate 94

Project details

Highway 9, from Barnesville to Interstate 94, is expected to be in poor condition by 2022, increasing the resource needs from maintenance. The majority of sidewalk and pedestrian ramps in Barnesville are currently noncompliant and will be repaired or replaced as part of this project.

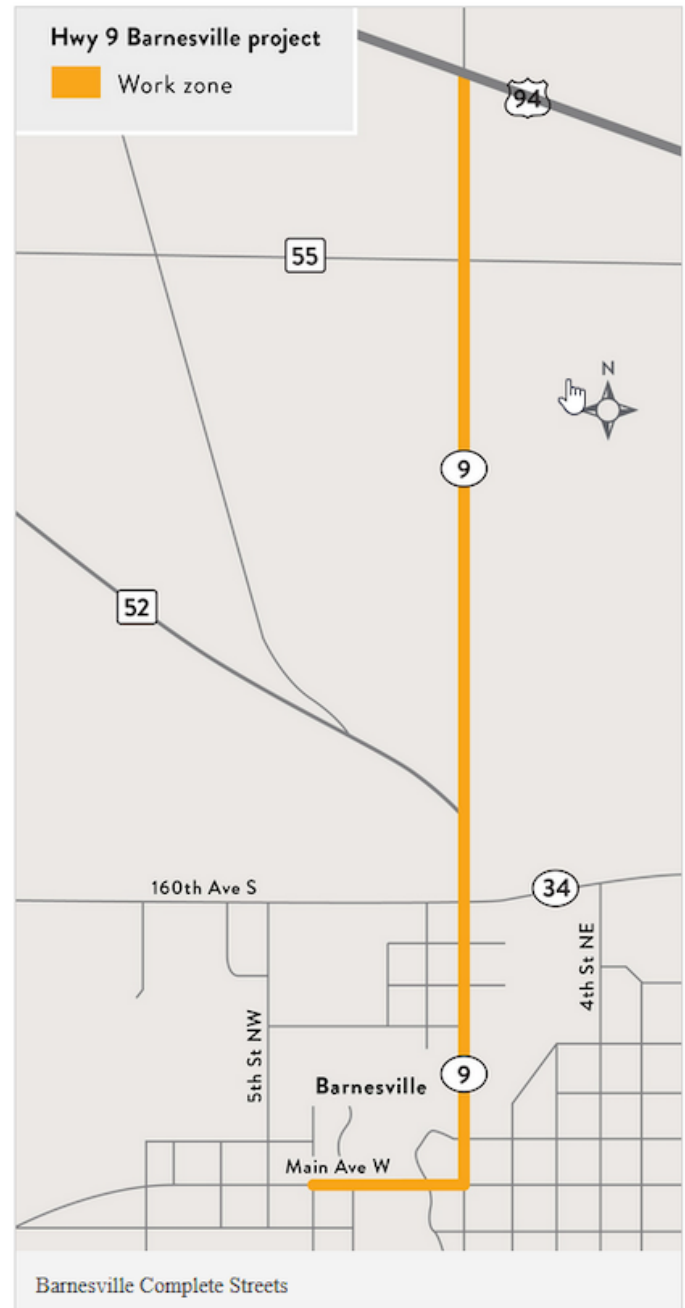

The project will include resurfacing and accessibility improvements to sidewalks and ramps, which will result in a more narrow roadway upon completion in order to meet roadway standards and pedestrian accessibility compliance.

Key project elements

- Reconstruction of Highway 9 from railroad crossing to Highway 34
- Eliminating two of the three railroad tracks crossing Highway 34 and relocating signals
- City utility replacement between Main Avenue and Highway 34
- Construct trail on east side of Highway 9, from Main Avenue to Highway 34 (Funded via TAP)
- Resurfacing of Highway 9 between Highway 34 and I-94
- Turn lanes at CR 55, on west of side Highway 9

Project impacts

- A detour is expected for a portion of the project while city utilities are being replaced. Lane closures are another potential
