

ELECTRIC RATES

Barnesville Municipal Power has adopted a seasonal rate schedule which reflects a higher rate only during those months when our cost is higher. The rate is based on the month the power is consumed.

SINGLE PHASE RESIDENTIAL

Monthly Base Charge	\$15.00
Energy Charge	
September- May	\$.101 kwh
June-August	\$.120 kwh

Available to single residences and also to individual apartment units.

SINGLE PHASE COMMERCIAL

Monthly Base Charge	\$18.50
Energy Charge	
September-May	\$.102 kwh
June-August	\$.117 kwh

Available to commercial customers with single phase service.

THREE PHASE COMMERCIAL

Monthly Base Charge	\$25.50
Energy Charge	
September-May	\$.102 kwh
June-August	\$.117 kwh

This rate is available to all customers with three phase service who have a calculated demand of 20 KW or less.

LARGE POWER THREE PHASE COMMERCIAL SERVICE

Monthly Base Charge	\$42.00
Demand Charge based on all kw	
September-May	\$11.40 kw
June-August	\$15.10 kw
Energy Charge	
All kwh	\$.052 kwh

This rate is available to all customers for three phase service with a calculated demand over 20 KW. Billing demand will be the maximum demand as measured during any 15 minute interval during the billing period.

ELECTRIC RATE INCENTIVES

Dual fuel and off peak rates are available to both residential and commercial customers.

DUAL FUEL RATE

Dual Fuel Service Rate	
September-May	\$.0470 kwh
June-August	\$.1200 kwh

This rate is available to all customers with a dual fuel heating system (including heat pumps) that is controlled by the City’s load management system.

OFF PEAK RATE

Off Peak Service Rate:	
September-May	\$.0470 kwh
June-August	\$.1200 kwh

This rate is available for electric thermal storage (ETS) space heaters, under concrete slab electric heating systems and electric heated liquid filled under concrete slab heating systems. Off Peak Services must be metered separately and controlled by the City’s load management system. Central air conditioners and water heaters do not qualify for the off peak rate.

SECURITY LIGHTS

Charge per light	\$12.25 month
------------------	---------------

Available to all customers for un-metered lights, 200 watts or less, owned, installed and maintained by the City.

SECURITY FLOOD LIGHTS

Charge per light	\$24.50 month
------------------	---------------

Available to all commercial customers for un-metered lights, 200 watts or less, owned, installed and maintained by the City

SOLAR PANEL OPPORTUNITY

Interested in utilizing more “green” energy? Purchase a solar panel in the City of Barnesville Solar Garden on the west side of town. The cost for each solar panel is \$775. You will receive a monthly credit for the energy produced by your panel! You may even qualify for a Federal Tax Credit for renewable energy.

WATER HEATER INCENTIVE

Receive a \$2.00 per gallon rebate for the installation of a new electric water heater with a storage capacity of at least 50 gallons, or \$3.00 per gallon for new water heaters with a minimum storage capacity of 80 gallons. Water heaters must be controlled by the city’s load management. Demand water heaters without storage do not qualify for this rebate.

ELECTRIC REBATES

In the past, Barnesville Municipal Electric has offered Energy Star rebates to residents who purchased energy efficient lightbulbs and/or appliances. This program has now become Bright Energy Solutions. For rebate forms and info go to www.brightenergysolutions.org.
