audible at the boundary of the real property, building, structure, or residence from which the noise originates, or at a distance of 50 feet from the source of the noise. (this general prohibition is not limited by any specific restrictions provided in this ordinance). "Plainly audible" is defined as sound that can be detected by a person using their unaided hearing faculties.

(2) All obnoxious noises, motor vehicle or otherwise, in violation of Minn. R. Ch. 7030, as they may be amended from time to time, are hereby incorporated into this ordinance by reference.

(3) The use of any vehicle so out of repair or so loaded as to create loud and unnecessary grating, grinding, rattling, or other noise.

(4) The discharging of the exhaust or permitting the discharge of the exhaust of any statutory internal combustion engine, motor boat, motor vehicle, motorcycle, all-terrain vehicle (ATV), snowmobile, or any recreational device, except through a muffler or other device that effectively prevents loud or explosive noises therefrom and complies with all applicable state laws and regulations.

(5) Any loud or excessive noise in the loading, unloading, or unpacking of any vehicle.

(6) The use or operation, or permitting the use or operation, of any radio receiving set, television set, musical instrument, music device, paging system, machine, or other device for producing or reproduction of sound in a distinctly and loudly audible manner so as to disturb the peace, quiet, and comfort of any person nearby.

Subd. 2. Hourly restriction of certain operations.

SEC. 6-0106. NUISANCE PARKING AND STORAGE.

Subd. 1. Declaration of nuisance. The outside parking and storage on residentially zoned property of large numbers of vehicles and vehicles, materials, supplies, or equipment not customarily used for residential purposes in violation of the requirements set forth below is declared to be a public nuisance because it: (1) obstructs views on streets and private property, (2) creates cluttered and otherwise unsightly areas, (3) prevents the full use of residential streets for residential parking, (4) introduces commercial advertising signs into areas where

commercial advertising signs are otherwise prohibited, (5) decreases adjoining landowners' and occupants' use and enjoyment of their property and neighborhood, and (6) otherwise adversely affects property values and neighborhood patterns.

Subd. 2. Unlawful parking and storage.

(1) A person must not place, store, or allow the placement or storage of pipe, lumber, forms, steel, machinery, or similar materials, including all materials used in conjunction with a business, outside on residential property, unless shielded from public view by an opaque cover or fence.

(2) A person must not cause, undertake, permit, or allow the outside parking and storage of vehicles on residential property unless it complies with the following requirements:

(a) No more than four (4) vehicles per lawful dwelling unit may be parked or stored anywhere outside on residential property, except as otherwise permitted or required by the city because of nonresidential characteristics of the property. The maximum number does not include vehicles of occasional guests who do not reside on the property.

(b) Vehicles that are parked or stored outside in the front yard areas must be on a paved or graveled parking surface or driveway area.

(c) Vehicles, watercraft, and other articles stored outside on residential property must be owned by a person who resides on that property. Students who are away from school for periods of time but still claim the property as their legal residence will be considered residents on the property.

SEC. 6-0107. INOPERABLE MOTOR VEHICLES.

Subd. 1. Declaration of nuisance. Any motor vehicle described in this section shall constitute a hazard to the health and welfare of the residents of the community as such vehicles can harbor noxious diseases, furnish a shelter and breeding ground for vermin, and present physical danger to the safety and well-being of children and citizens. Motor vehicles also contain various fluids which, if released into the environment, can and do cause significant health risks to the community.

Subd. 2. Inoperable motor vehicles. It shall be unlawful to keep, park, store, or abandon any motor vehicle that is not in operating condition, partially dismantled, used for repair of parts or as a source of repair or replacement parts for other vehicles, kept for scrapping, dismantling, or salvage of any kind, or which is not properly licensed for operation within the state, pursuant to Minn. Stat. § 168B.011, Subd. 3, as it may be amended from time to time.

Subd. 3. Screening. This section does not apply to a motor vehicle enclosed in a building and/or kept out of view from any street, road, or alley, and which does not foster complaint from a resident of the city. Privacy fencing is permissible.

SEC. 6-0108. DUTIES OF CITY OFFICERS.

City officials may apply and enforce any provision of this ordinance relating to public nuisances within this jurisdiction. Any peace officer or other designated city official shall have the power to inspect private premises and take all reasonable precautions to prevent the commission and maintenance of public nuisances. Except in emergency situations of imminent danger to human life and safety, no peace officer or designated city official will enter private property for the purpose of inspecting or preventing public nuisances without the permission of the owner, resident, or other person in control of the property, unless the officer or person designated has obtained a warrant or order from a court of competent jurisdiction authorizing entry.

SEC. 6-0109. ABATEMENT PROCEDURE.

Subd. 1. Procedure. Whenever the peace officer or other designated official determines that a public nuisance is being maintained or exists on the premises in the city, the official shall notify in writing the owner of record and occupant of the premises of such fact and order that the nuisance be terminated or abated. The notice of violation shall specify the steps to be taken to abate the nuisance and the time within which the nuisance is to be abated. If the notice of violation is not complied with within the time specified, the official shall report that fact forthwith to the City Council. Thereafter, the City Council may, after notice to the owner and occupant and an opportunity to be heard, determine that the condition identified in the notice of violation is a nuisance, order that the nuisance be abated and further order that if the nuisance is not abated within the time prescribed by the City Council, the city may either obtain an administrative search and seizure warrant, abate the nuisance and assess the costs of the abatement as a service charge against the property to be collected along with the taxes pursuant to Minn. Stat. 429.101, or seek injunctive relief from the Courts of the State of Minnesota by serving a copy of the City Council order and notice of motion for summary enforcement.

Subd. 2. Notice. Written notice of the violation; notice of the time, date, place, and subject of any hearing before the City Council; notice of the City Council order; and any notice of motion for summary enforcement hearing shall be served by a peace officer or designated official on the owner of record and occupant of the premises either in person or by certified or registered mail. If the premise is not occupied, the owner of record is unknown, or if the owner of record or occupant refuses to accept notice, notice of the violation shall be served by posting it on the premises.

Subd. 3. Emergency procedure; summary enforcement. In cases of emergency, where delay in abatement required to complete the procedure and notice requirements as set forth in subdivisions (1) and (2) of this section will permit a continuing nuisance to unreasonably endanger public health, safety, or welfare, the City Council may order summary enforcement and abate the nuisance. To proceed with summary enforcement, the peace officer or other designated official shall determine that a public nuisance exists or is being maintained on premises in the city and that delay in abatement will unreasonably endanger public health, safety, or welfare. The officer or designated official shall notify in writing the occupant or owner of the premises of the nature of the nuisance, whether public health, safety, or welfare will be unreasonably endangered by delay in abatement required to complete the procedure set forth in subdivision (1) of this section and may order that the nuisance be immediately terminated or

abated. If the nuisance is not immediately terminated or abated, the City Council may order summary enforcement and abate the nuisance.

Subd. 4. Immediate abatement. Nothing in this section shall prevent the city, without notice or other process, from immediately abating any condition that poses an imminent and serious hazard to human life or safety.

Subd. 5. Unlawful parties or gatherings. When law enforcement determines that a gathering is creating such a noise disturbance as prohibited under Section 6-0104, Subd. 4, the officer may order all persons present, other than the owner or tenant of the premises where the disturbance is occurring, to disburse immediately. No person shall refuse to leave after being ordered to do so by law enforcement. Every owner or tenant of such premises who has knowledge of the disturbance shall make every reasonable effort to see that the disturbance is stopped.

Subd. 6. Judicial remedy. Nothing in this section shall prevent the city from seeking a judicial remedy when no other adequate administrative remedy exists.

SECT. 6-0110. RECOVERY OF COST.

Subd. 1. Personal liability. The owner of the premises on which a nuisance has been abated by the city, or a person who has caused a public nuisance on property not owned by that person, shall be personally liable for the cost to the city of the abatement, including administrative costs. As soon as the work has been completed and the cost determined, the city clerk or other city official shall prepare a bill for the cost and mail it to the owner. Thereupon the amount shall be immediately due and payable at the office of the city clerk.

Subd. 2. Assessment. After notice and hearing as provided in Minn. Stat. § 429.061, as it may be amended from time to time, if the nuisance is a public health or safety hazard on private property, the accumulation of snow and ice on public sidewalks, the growth of weeds on private property or outside the traveled portion of streets, or unsound or insect-infected trees, the city clerk shall, on or before September 1 next following abatement of the nuisance, list the total unpaid charges along with all other such charges as well as other charges for current services to be assessed under Minn. Stat. § 429.101 against each separate lot or parcel to which the charges are attributable. The City Council may then spread the charges against the property under that statute and any other pertinent statutes for certification to the county auditor and collection along with current taxes the following year or in annual installments, not exceeding ten (10), as the City Council may determine in each case.

SECT. 6-0111. VIOLATION AND PENALTY.

Subd. 1. Violations. Any person convicted of violating any provision of this Chapter is guilty of a misdemeanor. Each day such violation continues or occurs shall constitute a separate offense and may be prosecuted as such. Nothing herein contained shall prevent the City from taking any other appropriate actions or proceedings against a violator as provided by law or City ordinance to prevent or remedy the violation or penalize the violator.

Subd. 2. Civil Action. The City may enforce this Chapter of the municipal Code through abatement or by Civil Action and the City is authorized to pursue any remedy available at law or in

equity, including but not limited to temporary restraining orders, injunctions both mandatory and prohibitory as well as damages, including costs, disbursements and attorney fees incurred in any civil action by the City.

SECT. 6--0112. SEVERABILITY.

If any provision of this ordinance is found to be invalid for any reason by a court of competent jurisdiction, the validity of the remaining provisions shall not be affected.

SECT. 6-0113. EFFECTIVE DATE.

This ordinance becomes effective 30 days after the date of its publication, or upon the publication of a summary of the ordinance as provided by Minn. Stat., § 412.191, Subd. 4, as it may be amended from time to time, which meets the requirements of Minn. Stat. § 331A.01, Subd. 10, as it may be amended from time to time.
